Note: The Major Donor Committee reported all contributions made during the year 2000 in their major donor campaign statement. While the statement was not filed timely for the first semi-annual period, it was filed timely for the second semi-annual period. Therefore the committee was only charged with a one count violation for failing to file their first semi-annual statement on or before July 31, 2000. The contributions after July 1st, 2000 are reported here only to provide full disclosure of the information contained in the underlying report.
